BUDGET TOTALS FROM THE CONCURRENT RESOLU-
TION, FISCAL YEAR 1998

SEPTEMBER 8, 1997.—Ordered to be printed

Mr. STEVENS, from the Committee on Appropriations,
submitted the following

REPORT

The Committee on Appropriations submits the following report revising the allocations to subcommittees set forth in Senate Report 105-31 (June 19, 1997), and further revised in Senate Report 105-46 (July 10, 1997), Senate Report 105-50 (July 17, 1997), and Senate Report 105-57 (July 24, 1997).

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to this section.

On June 27, 1997, the Committee on the Budget filed a revised 602(a) allocation for the Committee reflecting an increase of \$3,741,000,000 in budget authority and \$13,000,000 in outlays (Congressional Record, pp. S6785-6786). These amounts were provided under the provisions of sections 202 and 206 of H. Con. Res. 84, the concurrent resolution on the budget for fiscal year 1998, which mandate an increase to the Committee's 602(a) allocation when certain conditions relating to funding of international affairs activities are met.

On July 21, 1997, the Committee on the Budget filed another revised 602(a) allocation for the Committee reflecting an increase of \$8,766,000,000 in budget authority and \$3,505,000,000 in outlays. These amounts were provided under the provisions of sections 203 and 206 of H. Con. Res. 84, the concurrent resolution on the budget for fiscal year 1998, which mandate an increase to the Committee's 602(a) allocation when certain conditions relating to funding of section 8 housing assistance and to funding of international affairs activities are met.

On September 3, the Committee on the Budget filed a revised allocation for the Committee reflecting an additional \$245,000,000 in budget authority and \$230,000,000 in outlays. These amounts were allocated pursuant to section 314 of the Congressional Budget Act of 1974, as amended, which mandates an increase to the Committee's allocation when certain conditions relating to funding of continuing disability reviews are met. In addition, the Committee on the Budget filed a revised allocation to reflect an additional \$700,000,000 in budget authority and \$257,000,000 in outlays. These amounts were allocated pursuant to section 205 of H. Con. Res. 84, the concurrent resolution on the budget for fiscal year 1998, which mandates an increase to the Committee's allocation when conditions relating to funding of certain Federal land acquisition and exchanges are met.

The Committee notes that these allocations are consistent with section 302 of the Congressional Budget Act of 1974, as amended. Section 602 of the Congressional Budget Act, one of the authorities under which previous allocations of the Committee for fiscal year 1998 had been filed, was repealed by section 10118 of the Budget Enforcement Act of 1997 (title X of the Balanced Budget Act of 1997; Public Law 105-33).
